

Birthday Books

Celebrate your child's birthday with a Birthday Book and help build our school library collection!

For a donation of \$20 per book, a book plate inscribed with your child's name and birthday will be placed in the book of their choice which is then added to our library collection.

During your child's birthday month, the student will receive an invitation to visit the library and choose their book. (Students with a summer birthday will receive an invitation during the late spring.) Students can select their birthday book from a variety of new books. In addition to having their name inscribed on the book plate, they are the first person to check out the book from the library and have the satisfaction of making a magnanimous gift to the library.

To participate in the Birthday Book Program, please complete the form below and return it with your check to the school office [attention: Birthday Book Program].
